

Workers at Home  
Carrie Smith April 20/21, 2026

**Priority**

Pastor Jesse's descriptions:

- A woman's home is her top priority
- The home is where she will have maximum influence
- A woman attends to her home
- She invests in her home
- Her home is a place of rest, not chaos and disorder

**Prelims**

- The context of our work is loving our family
- Same Scriptures commands, varying methods
- Moving forward in strength and weakness
- Diligence in work produces patience for that work and increased work
- A woman may or may not be able to keep her home "the way she wants to"
