Eyes to Heaven: The Hour of Glory

Michael Otazu

Passage: John 17:1-5

1. Read this week's passage, **John 17:1-5**, and **Hebrews 5:7**. Jesus knew the Word as well as God's plan for all time perfectly, yet He still devoted Himself to prayer. What aspects of Jesus' model of prayerfulness encourage you as you seek to develop a more robust prayer life?

2. Read the first and last verse of this week's passage (**John 17:1, 5**). Also, consult **Isaiah 42:8; 48:9-11**. Reflect on God's desire to be glorified. In what ways have you seen the circumstances in your life work out to glorify Him? How can you more intentionally glorify God by the way you live your day-to-day life?

3. Read **John 17:2-4**, **Ephesians 1:3-14**, and **Romans 8:29-30**. Which features of God's design for salvation are most mesmerizing to you? Consider the relationship between God's intratrinitarian plan for salvation and man's responsibility in it. Take some time to praise and thank the Lord in prayer for this provision of salvation.
