the works that I do, he will do also; and greater
works than these he will do because I go to the

SUMMER IN THE SYSTEMATICS II PNEUMATOLOGY II

“So there’s this thing called a “fire tunnel” – it’s like when you were five years old and your soccer team won and your parents formed a tunnel for you to run through and there were juice boxes at the end.”

“Only this time there are no juice boxes, but words and gifts from the Lord! It was absolutely as crazy as it sounds.”

AZUSA STREET REVIVAL

SUMMER IN THE SYSTEMATICS II PNEUMATOLOGY II

“A visitor to Azusa Street during the three and a half years the revival continued would have met scenes that beggared description. Men and women would shout, weep, dance, fall into trances, speak and sing in tongues, and interpret their messages into English.”

Vinson Synan

SUMMER IN THE SYSTEMATICS

“In the middle of it all was ‘Elder’ Seymour, who rarely preached and much of the time kept his head covered in an empty packing crate behind the pulpit. At times he would be seen walking through the crowds with five- and ten-dollar bills sticking out of his hip pockets that people had crammed there unnoticed by him.”

“My lungs began to fill and heave under the power as the Comforter came in. The cords of my throat began to twitch – my chin began to quiver, and then to shake violently, but Oh, so sweetly! My tongue began to move up and down and sideways in my mouth.”

“Unintelligible sounds as of stammering lips and another tongue, spoken of in Isaiah 28:11, began to issue from my lips. This stammering of different syllables, then words, then connected sentences, was continued for some time as the Spirit was teaching me to yield to Him.”

“I see historically that we’re now in the third wave. The first wave of the moving of the Holy Spirit began at the beginning of the century with the Pentecostal movement. The second wave was the charismatic movement which began in the fifties in the major denominations. Both of those waves continue today.”

C. Peter Wagner

“I see the third wave of the eighties as an opening of the straight-line evangelicals and other Christians to the supernatural work of the Holy Spirit that the Pentecostals and charismatics have experienced, but without becoming either charismatic or Pentecostal.”
